Oravae Cottage is located on the beachfront of a private Island. It is a true island retreat with limited communications to the outside world. Take time to rejuvenate your soul and find out why a stay at Oravae will be one of your most relaxing and memorable island adventures.

Ever dreamt of escaping to your own private island? Leave the rat race well and truly behind at Oravae Cottage- your own Robinson Crusoe bungalow in the heart of the Pacific. Perched on the edge of an islet 20 minutes from the mainland, there's nothing to distract you here but the gentle sound of the waves. Spend your days relaxing on the wooden verandah, swimming pristine lagoons, diving or snorkelling WWII Japanese war relics, feasting on traditional island banquets or just watching the sun go down. Whether you're after a romantic getaway for two or somewhere for a party of 10, Oravae is the perfect escape.
